

When I'm in Love

Many times, I try to write a rock song
Many times, it seems to come out wrong
How can I write anything but a love song
When I'm in Love

Many times, I try to write a pop song
Many times, it ends up way too long
How can I write anything but a love song
When I'm in Love

I don't know why the music's slow
And the words say nothing but "I love you"
I just can't seem to hide
All the love I feel inside
And I won't stop this love from pouring through

Many times, I try to write a hit song
Many times, I come on way too strong
How can I write anything but a love song
When I'm in Love
How can I write anything but a love song
When I'm in Love
