The Crown Jewel in the Emerald Necklace of Clear Lake

Tarajories is a Potawatomi Indian word meaning Hill of Health. On the sparkling, primordial waters of Lake Anne at Clear Lake, one finds sanctuary, wrapped in lush, forested, lagoon majesty. Serenity protects this private, gated 4.334 acre estate of peace & solitude where mystical anomalies beckon from beyond. Cosily nestled in priceless, irreplaceably ancient trees, 'Hemingway's Hideaway' elegantly features all-custom, ultra-high-tech, low-key repose. Our Camelot of Clear Lake offers a wealth beyond the dreams of avarice. Relax into a walk through www.tarajories.com for full details on this unique-in-the-extreme, multi-faceted, exclusive, turn-key, waterfront paradise featuring The MAX~Q Light & Sound Therapy System par excellence

Clear Lake, deemed the Riviera of the midwest, finds its Crown Jewel at the Headwaters of its Gold Coast with immediate access to Clear Lake via plush lagoon inlet. The expanse of property: 4.334 acres & 461 wrap-around waterfront footage on lake & lagoon is the main draw here.
