

# The Evening Dance

~ Sacred Song & Danse ~

Music: Mark Kieswetter

Lyrics: Gregor Rice

Danse The Evening Danse with me  
Come join our family  
In sweet harmony

Won't you come  
Danse The Evening Danse with me  
To this soothing rhapsody  
We'll Danse vis~a~vis

Come join us in the evening Dancing  
Come join us in the evening prancing  
And fill your heart with romancing

Danse The Evening Danse with me  
We'll share Serenity  
Out where the moonlight falls so freely,  
Softly on the evening sea, oh

Danse The Evening Danse with me  
Together we shall see  
The day's excitement  
Melt deep into dreamery

Danse, come Danse The Evening Danse  
To heavenly and earthly chants, ah  
Come Danse The Evening Danse with me  
Danse The Evening Danse  
Oh, please join the Dancing with me  
Come Danse  
Come Danse
