

In Being Who I Am

This, my love, I have to say to you
In finding who I am
And what I've come here to do
It's more than just a lifetime
It's more than what we planned
Can I explain so you'll understand

In Being Who I Am
I must be free to grow
To leave will break my heart
More than you'll ever know
In Being Who I Am
Although I have to go
I will love you forever

Love, you know how much you mean to me
But I will not resign this wondrous destiny
I know this all sounds crazy
But listen with your heart
How ever small I must play my part

In Being Who I Am
I must be free to grow
To leave will break my heart
More than you'll ever know
In Being Who I Am
Although I have to go
I will love you forever
