

[It Looks Like]

We'll Never See The Light

Love
The miracle
Something we don't
Understand very well
But I know
It's taking too long
It's all wrong
And it looks like [spoken]
We'll Never See The Light

Love
Empirical
Life without love
Is its own living hell
And you know
It's taking too long
It's all wrong
And it looks like [spoken]
We'll Never See The Light

[Instrumental - bit of dialogue over probably]

To play your part
Give your heart away

To play your part
Give yourself away
