

Fly!

Come with me
Just take my hand
Softly, we'll Fly! away

You're alive
Don't waste your life
Lost in tomorrows
Be here now
Don't spend your time
Thinking of yesterdays
Just be right where you are

Living love
You'll understand
Life in a million ways

Try your wings
Don't let your fears
Ground you in sorrows
Letting go
You'll make the climb
Out of the blinding haze
Come Fly! beyond the starz

Fly! Fly!
Come on and Fly! away with me
We'll find your lucky star
Come Fly! Fly!
Sometimes you've got to Fly! away
To find out who you are

And we'll be Dansing in the air
To the music of the spheres
Everywhere you are
You'll hear the music softly playing
Angels of Light from above
Guide us with their Love

Fly! Fly!
Come on and Fly! away with me
We'll find your lucky star
Come Fly! Fly!
Sometimes you've got to Fly! away
To find out who you are
