

Surrender Your Heart

Surrender Your Heart
Home to a slower pace
Surrender Your Heart
Soon as you can
Surrender Your Heart
Home to a wider space
Surrender Your Heart
Surrender Your Heart
Surrender Your Heart

Surrender Your Heart
Home to a higher place
Surrender Your Heart
Soon as you can
Surrender Your Heart
Home to a deeper base
Surrender Your Heart
Surrender Your Heart
Surrender Your Heart

Touch me, feel me
I'm as real as you
I recall your tender touch
As one I'd come to love so much
Its scintillating Light as such
Is one I'd come to closely clutch
And hold...

Surrender Your Heart
Home to a warm embrace
Surrender Your Heart
Soon as you can
Surrender Your Heart
Home to a crowning grace
Surrender Your Heart
Surrender Your Heart
Surrender Your Heart
