

Time to Wake Up

Time to Wake Up
It's quarter to dawnin'
For our day in the sun
Time to Wake Up
To the new breed a spawnin'
New for every one

Time to Wake Up
The new drummer's drummin'
With the beat proud and strong
Time to Wake Up
To the new band astrummin'
To this brand new song

We're headed for the new day
Let's see that sunrise come Dansin' thru, together
Time to Wake Up to the joy of the new way
New way for us all

Instrumental

Time to Wake Up
To acts of the new play
Or we're all goin' down
Time to Wake Up
In the Light of the new ray
And its lovin' sound

We're all headed for the new day
We'll see that sunshine keep Dansin' thru, forever
Time to Wake Up to the joy of the new way
Waiting for us all
Waiting for us all
